## PROFESSIONAL PROFILE

I am a multidisciplinary design student with a solid foundation in full-stack development and experience in both frontend and backend technologies. I have strong knowledge of UX/UI principles and interactive design. I specialize in building digital solutions from concept to deployment, with a passion for creating clean, functional, user-centered interfaces. I actively seek opportunities to grow in both creative and technical dimensions while contributing to innovative projects.

## EDUCATION

<b>Universidad de los Andes, Bogotá</b> <i>Bachelor's Degree in Systems and Computer Engineering</i> <i>Bachelor's Degree in Design</i>	<b>Jan 2021 – Present</b>
